Why Pronouns Matter
1:40 P.M. – 2:40 P.M.
This session will look at what non-binary pronouns are and how to use them. We will explore why someone might identify with a pronoun outside of the gender binary. We will explore the array of pronoun options that exist, why for some people three options: "they" "she" and "he" aren't enough. Additionally, the workshop will touch on the idea that pronouns like identity can be fluid and change over the course of a person's lifetime.
